

IMPORTANT notice!

On September 21st, Fairfield Medical Centre is switching to a different practice management system (computer software that holds all patient records) **INDICI**

While we are excited to be moving forward into a more functional and accessible system. There will likely be delays for the first few days. So please bear with us, while we learn the ropes.

**Migrating to INDICI from Manage my health will be instructed via email.*

Indici patient portal offer, **On The Go Access** like never before.

Have You Heard The News?

AUGUST - SEPTEMBER 2020

SWITCHING TO INDICI!!

what you need to know

HOW COULD THE SWITCH IMPACT YOU?

We want to set the expectation that hiccups and delays will happen in the first few weeks if you require prescriptions between the 21st September to 5th October. Please request them with the clinic prior to the 21st of September.

WHAT ABOUT MANAGE MY HEALTH?

As of September 21st, Manage My Health will no longer work. However this does not mean that you will lose your records. They will be transferred to the new patient portal and you will be able to access your records in the new portal, as you do in Manage My Health.

HOW DO YOU SIGN UP?

You will soon receive an email containing a website link with instructions to register for the new patient portal. Until then sit tight, you don't have to do a thing.

COVID-19 NOTICE

Covid-19 has changed the way we do things, and here at Fairfield Medical Centre we have taken extra steps to ensure everyone can receive safe medical attention.

If you have recently been in contact with someone who had or has covid-19 or if you have a fever, cough, sore throat or shortness of breath. **Do not enter the clinic.**

Arriving for an appointment? **Please remain in your vehicle** and phone reception for further instruction.

**Abusive and threatening behaviour will not be tolerated by staff. Please remember to stay understanding, respectful and be kind.*

Be kind
